

## RECOGNITION OF GUY GRAVEL'S COMMUNITY ENGAGEMENT

### DURING THE *VOLUNTEER RECOGNITION EVENING OF THE TOWN OF SUTTON*

On March 29, the Town of Sutton held an evening dedicated to recognizing volunteers. On that occasion, Guy Gravel received an award for his involvement with Club FADOQ Les Deux Monts , in the Community Life category.

#### **A dedicated and attentive board member**

Guy has served as an administrator and has sat on our club's board of directors for the past three years. He stands out for his commitment, availability, and attentive listening. Attuned to the needs of community members, he never hesitates to lend a hand. For him, volunteering means taking concrete actions with and for others.

#### **Versatility and involvement in communications**

Beyond his responsibilities within our club, he is involved on several fronts. Among other things, he created and took charge of managing the website [Club FADOQ Les Deux Monts - Réseau FADOQ](#) as well as the editing.

The monthly newsletter, distributed to nearly 350 members. An anecdote illustrates his way of working well: during a discussion about producing the newsletter, it was suggested that the task should be simple. Aware that simplicity comes from rigorous work, Guy smiled and assured us he would come back with a proposed change to implement.

#### **Workshops and support for members**

Guy Gravel also leads workshops in French and English on information technology and the use of digital tools. He supports members in adopting digital tools as part of the *Entraide informatique* project. Attentive to social connection, he emails a card for each member's birthday and takes the time to call those who do not have access to the internet.

#### **Support for club activities**

Guy actively contributes to implementing the activities organized by our club and all the administrators greatly appreciate his generous participation.
